

A House Divided

From Polarization to Collaboration: Bringing Back Effective Government

*Our country is having trouble making important decisions
and solving problems.*

Americans find it harder and harder to even talk with one another.

It is damaging in multiple ways:

- Major issues, such as the National Debt, Immigration, Health Care, & Social Security, get kicked down the road again & again
- Fewer people vote or participate in public life
- We have lost confidence in our national institutions

Join a civil conversation about our divided house

When: Saturday, September 21, 1-5 pm

Where: Sunnyvale Presbyterian Church Fellowship Hall,
728 W Fremont Ave, Sunnyvale, CA 94087

We will share views about ways to bridge the divide based on

- Reducing dangerous, toxic talk
- Making and following fairer rules for politics
- Taking control and making decisions closer to home

Our conversation will cover options, trade-offs, and agreements.
